*This is a five-year Integrated Masters Programme

A student has the provision to opt out from the fifth year and receive the bachelor's degree with Honours after meeting all prescribed requirements for this option.

Note:

- Admissions criteria vary across programmes.
- Students can opt for an Interdisciplinary Major after the completion of one year at the university.
- A student in the Integrated Masters Programme receives the bachelor's as well as the master's degree at the end of the successful completion of the five-year Programme.
- A student can pursue a Dual Major, i.e., two majors from the same school or different schools subject to school level eligibility requirements.
