

Bio-NEST RATE CARD

Opp GICT Building, Central Campus, Ahmedabad University, Navrangpura, Ahmedabad 380009.

Basic Instrumentation and Wet Lab Package

Rs 400 per day/ Rs 6000 per month

(Charges include facility use for maximum 2 persons.

Charges for an extra person are Rs 100 per day /Rs 1500 per month)

INCLUDES

Workspace	
Wet Lab bench space, storage shelf, storage cabinet, washing area, meeting/seminar room	
Utilities	
WiFi, LAN, Power points, RO water	
Basic Instrumentation*	
Bench-top	pH Meter, Weighing Balance, Digital Vortex Mixer, Hot Plate Magnetic Stirrer, Mini-Centrifuge (non-refrigerated), Hot Water Bath with Shaker, Sonicator Water Bath with Heater
Microbiology	Laminar Flow Cabinet, BOD and Shaker Incubator, Fume Hood, Brightfield Microscope
Sterilisation	Autoclave (common cycle), Hot Air Oven
Low Temperature Storage	2 to 8°C, -25 to -15°C
Consumables	
Available consumables are listed in Annexure I. Returnable consumables will be provided as per requirement and availability. Non-returnable consumables will be provided as per actual price.	

*Our basic instruments are also available for single-time use. Please refer to Annexure II for further details.

SPECIALISED INSTRUMENTATION

(Single-time usage charges)

No.	Instrument	Rate (INR)	No.	Instrument	Rate (INR)
1	Autoclave (dedicated cycle)	200/hour	8	Ultra-Low temperature freezer (-85°C to -55°C)	100/week/box 400/month/box
2	Walk-In Cold Chamber	300/day	9	High-Speed Centrifuge, Refrigerated	150/hour
3	Thermal Cycler (PCR)	150/hour	10	Class-II Biosafety Cabinet	150/hour
4	Gel Electrophoresis	100/hour	11	Fluorescence Cell Imager	150/hour
5	Gel-Doc Imager	200/hour	12	CO ₂ Incubator	200/day
6	Plate Reader	300/hour	13	Inverted Microscope	250/day
7	Electroporator	300/hour	14	Probe Sonicator	150/hour
High-end Instrumentation					
1	HPLC	450/hour	3	GC-FID	1000/hour
2	FPLC	1500/day	4	Lyophilizer	1000/day

Bundle Packs

Molecular Biology Rs 750 per week Rs 3000 per month	Includes Thermal Cycler, Gel Electrophoresis Unit, Gel-Doc, Electroporator, Plate Reader, -80°C Storage, High-speed Refrigerated Centrifuge
Cell Culture Rs 1000 per week Rs 4000 per month	Includes Biosafety Cabinet, CO ₂ Incubator, Inverted Microscope, Fluorescent Cell Imager, Plate Reader, -80°C Storage, High-Speed Refrigerated Centrifuge

25 per cent discount is available for resident incubatees, students and faculty of Ahmedabad University. Please read the usage policy document carefully before using the facility.

Annexure I
NON-RETURNABLE CONSUMABLES LIST

Sr. No.	Item	Rate (INR)		Sr. No.	Item	Rate (INR)
	Utilities				Chemicals	
1	Ultrapure Type I Water (deionized/MilliQ)	50	per litre	20	Di-Potassium Hydrogen Orthophosphate	as per actual price
2	Double Treated Type III Pure Water	30	per litre	21	Sodium Dihydrogen Orthophosphate	
3	N ₂ Gas, from cylinder, >99% pure	250	per kg	22	Di-Sodium Hydrogen Orthophosphate	
4	Ice Flakes (Crushed Ice)	50	per kg	23	EtBr	
5	Nitrile Gloves	as per actual price		24	Crystal Violet	
	Plasticware					
6	Microtubes, 1.75 ml, non-Sterile					
7	Microtubes, 2.0 ml, non-sterile					
8	Petri Dishes, disposable, sterile					
9	T25 Flask, sterile					
10	T75 Flask, sterile					
11	96 Well Plates, without lid, non-sterile					
	Chemicals					
12	Diluent for DNA					
13	Nutrient Agar					
14	LB Broth					
15	LB Agar					
16	Ampicillin					
17	Kanamycin					
18	DTT					
19	DMSO					
				25	Glycine	
				26	Tris Buffer, 1M, pH 6.8	
				27	Tris Basic	
				28	Filtration Unit, sterile, 0.22 um, single use	
				29	Mannitol	
				30	Magnesium Sulfate	
				31	Sodium Chloride	
				32	Methanol	
				33	Acetone	
				34	Glycerol	
				35	Calcium Carbonate	
				36	TEMED	
				37	2-Propanol	
				38	Gram's Iodine	
				39	Ammonium Persulfate	
				40	SDS	

RETURNABLE CONSUMABLES LIST

	Glassware		Plasticwares
	(to be returned at the end of the tenure)		(to be returned at the end of the tenure)
1	Measuring Cylinders - 10ml, 50ml, 250ml, 1000ml	1	Combi Rack
2	Beaker - 50ml, 250ml, 500ml, 1000ml, 2000ml	2	Micro Tube Rack
3	Conical Flask with screw cap - 100ml, 250ml, 1000ml	3	Tip Boxes - 10ul, 200ul, 1000ul without tips
5	Glass Bottles with screw cap - 500ml, 1000ml, 2000ml		
*Penalty will be levied for broken or damaged glassware or plasticware returned at the end of the tenure.			

NOTE: Inventory will be frequently updated. Please check with the Incubation Manager for availability of the above items.

Annexure II

BASIC INSTRUMENTATION

(Single-time usage charges)

Sr. No.	Category	Instrument	Rate (INR)	
1	Bench-Top Instruments	Digital Vortex Mixer	100	per day
2		Mini Centrifuge (non-refrigerated)		
3		Hot Plate with Magnetic Stirrer		
4		High-Speed Mini-Centrifuge (non-refrigerated)		
5		Weighing Balance		
6		High Precision Weighing Balance		
7		pH/conductivity meter		
8		Brightfield Microscope		
9	Cold Storage Equipment	4°C to 8°C storage	200	per month
10		-25°C to -15°C storage	300	per month
11	Oven and Water Baths	Hot Air Oven	100	per day
12		Hot Water Bath with Shaker		
13		Water Bath Sonicator with Heater		
14	Safety Cabinets	Fume Hood	50	per hour
15	Autoclave	Common Cycle	50	per hour
16	Microbiology	Laminar Air Flow Cabinet	60	per hour
17		BOD Incubator	150	per day
18		Shaker Incubator	150	per day
