PhD Programme in Humanities and Social Sciences

The new interdisciplinary PhD programme in the Humanities and Social Sciences at Ahmedabad University's School of Arts and Sciences is unique in India. Unlike conventional doctoral programmes, the framework equips scholars to ask novel research questions that transcend disciplinary silos. It supports scholars who may wish to pursue puzzles and solutions that draw on but go beyond the disciplinary boundaries of History, Political Science, Philosophy, Urban Studies, Anthropology, Sociology and Psychology.

▼ Admissions Process

All applications must be made via our online portal. The admission requirements for the PhD programme include a Masters degree or equivalent training in the social sciences, humanities or related disciplines, a brief statement of research interest, a writing sample, a written exam and an interview.

▼ Funding and Fellowship

Merit based University Assistantship in the form of a full tuition waiver and a monthly stipend is provided to deserving candidates. Other avenues of financial support include teaching assistantships of the School or fellowships from sponsored research projects.
