PhD Programme in BIOLOGICAL AND LIFE SCIENCES

The PhD Programme in Biological and Life Sciences at the School of Arts and Sciences of Ahmedabad University provides a lively exchange with experts from across the academic disciplines and various global partnerships, and the programme grants access to state-of-the-art laboratories. The scope of the division's research spans pure and applied biological sciences ranging from 'ecosystem to molecules'.

Areas where positions exist:

- Species, Climate Warming, and Evolution
- Neuroscience
- Behavioral Ecology and Wildlife Biology
- Molecular parasitology
- Forensic Science and Toxicology
- Animal Behaviour and Disease ecology
- Systems Biology and Evolution
- Cancer Biology
- Structural Biology/Biochemistry/Bioinformatics

▼ FINANCIAL AID:

A 100% tuition waiver will be given to all full time doctoral students.

In addition to a full tuition fee waiver, University Fellowship in the form of a monthly stipend is also provided to deserving candidates.

Other avenues of financial support include teaching assistantships of the School or fellowships from sponsored research projects.

Ahmedabad University is a private, non-profit research university founded in 2009 by Ahmedabad Education Society (AES), offering a liberal education focused on interdisciplinary learning and research thinking.
