# PhD Programme in PHYSICS

The Mathematical and Physical Sciences division of the School of Arts and Sciences offers a PhD Programme in Physics that prepares students for a career as a researcher, either in academia or in industry. The Physics faculty members are actively engaged in research in some of the frontier areas that include Atmospheric Science, Complex Systems and Biological Physics and Gravity and Cosmology. The research carried out by the faculty members involves national and international collaborations supported by competitive grants. The faculty members also contribute significantly to the undergraduate education of the University.

More details about the faculty profiles can be found at [www.ahduni.edu.in/faculty](http://www.ahduni.edu.in/faculty)

## AREAS IN PHYSICS

- Atmospheric Physics, Air Pollution; Gravitation and Cosmology; Magneto-optics, Optical Magnetometry; Quantum Computing; Statistical Physics

### Financial Aid:

A 100% tuition waiver will be given to all full time doctoral students.

In addition to a full tuition fee waiver, University Fellowship in the form of a monthly stipend is also provided to deserving candidates.

Other avenues of financial support include teaching assistantships of the School or fellowships from sponsored research projects.

**Eligibility:** The applicant must have completed a Master's degree in Physics with a minimum of 55% or equivalent grade.

In exceptional cases, a candidate with a Bachelor's degree may be admitted to the programme, albeit with the requirement of completing additional credits as per the overall PhD policy of Ahmedabad University.

### IMPORTANT DATES
