Our Purpose

Ahmedabad University is dedicated to foster continuous progress of self and society. We aspire to become an exemplar in the transformation of higher education and research in India. Our graduates bear the capabilities, attitude and values to excel in whatever field they choose to pursue around the world.

Our Mission

- To prepare leaders of outstanding character who will contribute significantly to their fields of study and practice
- To build an evolving learning environment that is based on cross-disciplinary linkages between the arts, sciences, and professional disciplines, combined with rigour and reflection
- To actively advance research and intellectual enterprise at the University and in the society
- To promote independent-mindedness and diversity across all dimensions of the University
- To generate knowledge that provides a context of learning from and contribution to India and the world
- To actively advance the social, economic, and ecological development of local, national, and international communities
- To educate young people of India and the world to become contextually-literate global citizens
- To catalyze students to mature into critical thinkers who are analytically equipped, practically oriented, and ethically driven

We recognise that social challenges and job opportunities are occurring at the intersection of various axes of influence, defined by disciplines (data, materials, biology, and behaviour), nature (air, water, forests, and land), sectors of impact (health, transport, energy, and education) and society (individual and community). Accordingly, Ahmedabad University strives to guide students on how to learn through interdisciplinary academics and real-life experiences that traverse these intersections. Research programmes at the University also embody this integrative philosophy.

Ahmedabad University

A Brief History

Ahmedabad University was founded by **Ahmedabad Education Society (AES)**. AES is a non-profit educational trust located in Ahmedabad. More than 80 years old, AES was established at the behest of Sardar Vallabhbhai Patel, the first Home Minister of India, by illustrious leaders such as Kasturbhai Lalbhai, the doyen of the Indian textile industry; Ganesh Mavalankar, the first Speaker of the Indian Parliament; and Amrutlal Hargovandas, one of the prominent industrialists of Ahmedabad. AES envisioned that the university would serve to advance education in the state of Gujarat, throughout India and the world. AES and its leaders have played significant roles in the founding of national institutions such as Indian Institute of Management

Ahmedabad, National Institute of Design, Physical Research Laboratory, and Centre for Environmental Planning and Technology or (CEPT). The Trust is also responsible for supporting reputed institutions such as MG College of Science, LD College of Arts, HL College of Commerce, LM College of Pharmacy, AG Teacher's College and LD Institute of Indology, amongst others.
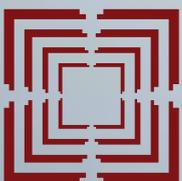

When the history of educational enabling is written in India, AES will be at the top for its amazing perspective and record of developing best in class institutions independently and with the government where land, funding and often management was provided by the leaders of AES.

Our Logo

Ahmedabad University defines its philosophical roots in a universal enquiry that empowers open and unbounded thought leading humanity to prosperity. The University is informed and guided by deep scholarship and multiple perspectives that enhance our vision.

The logo embodies this philosophy using a contemporary mnemonic representing the rich heritage of the city of Ahmedabad as its inspiration. The mnemonic is a stylised representation of an integral icon of the city - the stepwell, in the form of a minimalistic yet powerful graphic illustration.

At the core of the structure is the self, which must grow with the aim of transforming society for better, thus evolving itself. Historically, a stepwell was constructed to sit deep in the earth which speaks to the University's focus on the enquiry for deep understanding. The channels and doors represent the openness ingrained in the holistic philosophy of education that Ahmedabad University embodies. From encouraging the spirit of disciplinary research to facilitating intersections that enable progress and prosperity.

Ahmedabad University

RECOGNITION

ESTABLISHMENT OF THE UNIVERSITY

Ahmedabad University is a private, non-profit research university committed to providing students a liberal education focused on interdisciplinary learning and research thinking. Established in 2009 by Ahmedabad Education Society under the Gujarat State Private Universities Act, 2009, Ahmedabad University offers undergraduate, graduate and doctoral studies in areas such as engineering, humanities, management, natural sciences, and social sciences. With a centrally located campus and internationally renowned faculty, it has one of the most stimulating academic environments in the country.

UNIVERSITY GRANTS COMMISSION

The University Grants Commission has recognised Ahmedabad University under section 12(B) of the UGC Act, a recognition given to select research universities. Ahmedabad University is one of the very few private research universities in the country to have received this recognition.The University is now eligible to receive research and development grants, projects, and scheme-specific support from the University Grants Commission.

DEPARTMENT OF SCIENTIFIC AND INDUSTRIAL RESEARCH (SIRO)

The Department of Scientific and Industrial Research, Government of India, has registered Ahmedabad University as a Research Institute under its Research Programmes.

FOREIGN CONTRIBUTION (REGULATION) ACT (FCRA), 2010

The Ministry of Home Affairs, Government of India, has registered Ahmedabad University under the Foreign Contribution (Regulation) Act, 2010.

RECOGNITION

CENTRE OF EXCELLENCE

The Government of Gujarat has recognised Ahmedabad University as a Centre of Excellence (CoE). This recognition is part of a flagship initiative of the Government of Gujarat to select the best universities in the state and provide them with greater autonomy and regulatory freedom to allow them to achieve global standards in education. Ahmedabad University was assessed for its achievements in research, infrastructure, and quality of faculty among a host of other parameters by a high powered committee prior to the granting of this recognition.

Ahmedabad University, in its strategy plan for the CoE, has committed to increase financial support for students, enhance diversity of its student body, and also set up special research support mechanisms to usher in a globally benchmarked education.

Recognised as a Centre of Excellence from 2022-2031 by the Government of Gujarat for its high quality faculty, deep innovative programmes, research outcomes, and contemporary infrastructure among other parameters.

NATIONAL ACCREDITATION AND ASSESSMENT COUNCIL

Ahmedabad University has been accredited with 'A' grade by the National Assessment and Accreditation Council (NAAC) with a GPA of 3.25 on a scale of 4. This accreditation is valid for a period of five years from October 2022.

GUJARAT STATE INSTITUTIONAL RATING FRAMEWORK

Received a 5-star Rating, the highest awarded in the Gujarat State Institutional Rating Framework (GSIRF), for 2021-22 and 2024-25 by the Knowledge Consortium of Gujarat (KCG), Department of Education, Government of Gujarat.

INTERNATIONAL ACCREDITATION

Amrut Mody School of Management is in the advanced stage of the journey of business accreditation by AACSB International (Association to Advance Collegiate Schools of Business).

SOME RECENT ACHIEVEMENTS

Ahmedabad University has set up a **High-Performance Computing (HPC) system** in February 2025, Stepwell, which ranks among India's top 50 HPC systems, according to the Centre for Development of Advanced Computing (CDAC), Bangalore. The system gives faculty the computational power for complex simulations, modeling, animation, and extensive data analysis.

Subhabrata Moitra, Assistant Professor, Bagchi School of Public Health, won the **Rising Star Award from the XII International Workshop on Lung Health** for his research linking respiratory diseases to neurological issues in January 2025.

Shaurya Patel, Research Associate at the Global Centre for Environment and Energy (GCEE), recognised with the Gujarat State Leadership Award 2025 for Outstanding Contribution to Climate Change.

Aparajith Ramnath, Associate Professor, School of Arts and Sciences, **wins the Kamaladevi Chattopadhyay NIF Book Prize 2025** for his biography, Engineering a Nation: The Life and Career of M. Visvesvaraya (1861–1962), a definitive work on the life and legacy of engineer M. Visvesvaraya.

Raj Dave (BTech, Class of 2025) and **Professor Dhaval Patel,** Associate Professor, School of Engineering and Applied Science won the **Best Research Paper Award - Main Track** and the **Best UG Presentation Award at the 17th International Conference on Communication Systems & Networks (COMSNETs 2025).**

Professor Rahul Rao's, Assistant Professor, Amrut Mody School of Management PhD thesis "Essays on Misallocation," earned him the India Exim Bank's International Economic Research Annual (IERA) Citation for 2023. His research reveals that land and labour reallocation could boost India's real income by 11.5 percent, showing optimised agriculture drives this, lowering prices and raising wages.

Mana Shah (Integrated MS, Class of 2026) retained her winning trophy at the **Inter-collegiate Swami Vivekananda Elocution Competition.**

Sonia Bathla, Director of Sports has been appointed **Technical Official by the Federation of International Hockey (FIH) for the 2024–25 FIH Men's Nation Cup-II in** February 2025**.**

Ahmedabad University is recognised by the **Times Higher Education Awards Asia 2025** as the **Leadership and Management Team of the Year** in April 2025**.**

Signed an MoU with the Tata Indian Institute of Skills (Tata-IIS) to develop a skilled workforce proficient in interdisciplinary and new-age technologies in April 2025.

Ahmedabad University's student teams secured victory in **Badminton (Girls), Chess (Mixed Team), Table Tennis (Men), and Football (Men) at PDEU's Energy Cup 2025.**

Ahmedabad University sets stage for its upcoming School of Performing and Visual Arts with **Sabarmati International Contemporary Arts Festival (SICAFA),** reinforcing its commitment to integrating artistic inquiry into academic and civic mission in March 2025.

Riddhi Bhargava (BS (Hons) Class of 2026), **and Maitreiya Vohra** (BA (Hons) Class of 2027), **won first position at Meghnad Desai Young Economist Research Competition (YERC)** for their research on how food aggregators influenced market efficiency and economic growth in India's gig economy.

Professor Mehul Raval, Professor, School of Engineering and Applied Science ranks among the top 0.5 per cent of global scholars by ScholarGPS for his impactful research in brain tumour and neoplasm in June 2025.

Dhruv Premani and Hariohm Bhatt, BTech Class of 2026, earned first place in the **Sclera Segmentation Benchmarking Competition (SSBC) 2025** – Mixed Track, for developing ShapeGAN-DLV3+, and AI based model for improving biometric and medical diagnostic applications.

SOME RECENT ACHIEVEMENTS

Professor Shweta Agarwala, Professor, School of Engineering and Applied Science,has won the **WISER Fellowship** in July 2025. She will collaborate with the Karlsruhe Institute of Technology to develop sustainable piezoelectric materials for non-invasive health monitoring.

Devanshee Kansara (BTech, Class of 2026), won first prize at **InventX 2025** for a compact, pocket-friendly asthma spacer, an innovative biomedical device designed to improve drug delivery and patient comfort.

Ahmedabad University's **University Centre** is recognised with an **Honourable Mention at The International Architecture Award** in August 2025.

Ahmedabad University, in collaboration with the Maker Bhavan Foundation, AIA Engineering, and Arvind Composites, inaugurated the Tinkerers' Lab. It offers cutting-edge tools for engineering and applied science students, enabling hands-on exploration in August 2025.

Established a **Visiting Chair in Gujarati Literature and a Student Award for Sanskrit Education** in memory of the distinguished poet and critic, **Professor Ramprasad Shukla**. This initiative has been made possible through a donation by his son, **Professor Priyadarshi Shukla, Distinguished Professor and Chair of the Global Centre for Environment and Energy, and his wife, Professor Darshini Mahadevia, Professor in the School of Arts and Sciences** in August 2025.

Charvi Trivedi (Integrated MS 2024) won the **ACCE+ DLA (Adapting to the Challenges of a Changing Environment – Doctoral Landscape Award) Fellowship** for her doctoral research on the uncharted ecological risks of nanoplastic pollution, part of the ACCE Doctoral Training Partnership, a collaboration between the Universities of Liverpool, Sheffield, and York, as well as the UK Centre for Ecology and Hydrology (CEH) and the Natural History Museum (NHM).

Keyur Joshi, Assistant Professor, School of Engineering and Applied Science, wins the **J C Bose Memorial Award for designing a robotic arm.** The 3D-printed design utilises AI to enable individuals with special needs to feed themselves with precision and dignity.

Signed an MoU with the University of Bergamo anchored in a ten-point, time-bound agenda, to foster joint research, advanced manufacturing, faculty and student exchanges, and academic programmes spanning entrepreneurship, sustainability, and heritage management. The engagement also seeks to extend to the city level, with plans to bring together the Mayors of Ahmedabad and Bergamo and to create an SME corridor that will connect small and medium enterprises from both cities through the two universities.

Arunava Mandal, Doctoral Student, Amrut Mody School of Management, won the **Best Presentation Award** for his climate justice research, proposing an equitable framework to help Gujarat achieve its **Net Zero 2047 goals.**

Hitansh Dembla (Class of 2029) secures a national berth in the **25M Sports Pistol at the South Zone Shooting Championship 2025-26** and wins five medals (including two Gold) at the Tamil Nadu State Shooting Championship.

Professor Anil Patel, Assistant Professor, Bagchi School of Pubic Health, has been honoured with the **Indian Aerosol Science and Technology Association (IASTA) Young Scientist Award 2025 at the 14th Asian Aerosol Conference (AAC) 2025.**

Fenil Shah (Bachelor of Science in Management, Class of 2025), received the Environmental Impact Icon 2025 Award for work in environment and climate change, given by the YOUNGO Council and the UNESCO MIL Alliance, at the national level (11/11/2025).

Siddhartha Saxena, Assistant Professor, Amrut Mody School of Management, has joined as a **Board Apprentice with Public Health Scotland (PHS)**, Scotland's national public health body in January 2024.

Ramadhar Singh, Distinguished University Professor, Amrut Mody School of Management, was conferred with the **Lifetime Achievement Award by The Indian Academy of Management (INDAM)** in January 2024.

SOME RECENT ACHIEVEMENTS

Priyadarshi Shukla, Distinguished Professor, Amrut Mody School of Management, and Chair, Global Centre for Environment and Energy, is the Co-Chair of the Intergovernmental Panel on Climate Change (IPCC) Working Group III in 2024.

Ahmedabad University launched **The Climate Institute** in October 2024 to address the climate, energy, and environmental challenges in the Global South through education, research, and impact.

Ahmedabad University ranked sixth in India and 18th in South Asia for climate action in the **Times Higher Education (THE) Impact Rankings 2024**. The University has moved up two places from the previous rankings edition.

Ahmedabad University is Gujarat's sole educational institute to receive the **Indian Green Building Council Platinum Certification** in September 2024.

The University Centre of Ahmedabad University won the **Royal Institute of British Architects International Award for Excellence 2024.**

The School of Public Health at Ahmedabad University received a gift of INR 55 crores from philanthropists **Susmita and Subroto Bagchi** in July 2024 to develop world-class physical, digital, and intellectual infrastructure. The School has been renamed **Bagchi School of Public Health** in honour of the transformative gift.

The Confederation of Indian Industry (CII) Family Business Network (FBN) launched the Family Business Club at Ahmedabad University in its first institutional collaboration to understand family businesses' role in India's economy and culture in October 2024.

Ahmedabad University's School of Public Health partnered with the Self-Employed Women's Association (SEWA) to establish the **Sahyog Centre for Promoting Health** in January 2024. The Centre aims to improve public health locally, nationally, and globally through sustainable action.

Ahmedabad University's Amrut Mody School of Management presented with **AACSB's Innovations That Inspire Award 2023.**

Minal Pathak, Associate Professor and Academic Director, The Climate Institute, is one of the lead authors of the UNEP Emissions Gap Report 2024, highlighting the urgency of action while presenting opportunities available now.

Student **Freya Shah**, School of Arts and Sciences, received the **Summer Undergraduate Research Fellowship (SURF) award at the California Institute of Technology (Caltech)** for the summer of 2024 to work on a Quantum Machine Learning project at the California Institute of Technology.

Alumna, **Jyoti Shukla**, Master of Management Studies in Heritage Management programme, received a **Fellowship**, "**International Early Career Research**," from the International Research Centre for Intangible Cultural Heritage in the Asia-Pacific Region. She is one of seven researchers from Asia in October 2024.

Priyadarshi Shukla, Distinguished Professor, Amrut Mody School of Management, and Chair, Global Centre for Environment and Energy, honoured with the **Lifetime Achievement Award by the Integrated Assessment Modelling Consortium (IAMC)** at the IAMC's 17th annual meeting in South Korea in November 2024.

Sridhar Dalai, Assistant Professor; **Snigdha Khuntia**, Assistant Professor; and research student **Moulie Ghosh,** School of Engineering and Applied Science, **granted a patent** in November 2024 **for designing laboratory instrument to synthesise silicon nanomaterial from laboratory waste glass**, addressing waste management and the high cost of raw materials.

Patel, Associate Professor, alumna **Drashti Soni**, BTech in Computer Science and Engineering, and alumnus **Mohammed Umar Khalak,** BTech in Mechanical Engineering, School of Engineering and Applied Science, **granted a patent for designing an integrated device that combines glucose monitoring and insulin delivery with smart communication capabilities** in December 2024.

SOME RECENT ACHIEVEMENTS

Shilpa Pandit, Associate Professor, School of Arts and Sciences, received the **Fulbright-Nehru Academic and Professional Excellence Fellowship** in December 2024 from the United States-India Educational Foundation.

Aditi Singhal, Assistant Professor, School of Engineering and Applied Science, received an **IFI-funded Visiting Fellowship** at the Université of Lille, France, for a research collaboration on green hydrogen generation in France in July 2024.

Priyadarshi Shukla, Distinguished Professor, Amrut Mody School of Management, and Director, Global Centre for Environment and Energy; **Akhand Rai**, Assistant Professor, School of Engineering and Applied Science; and **Pankaj Joshi**, Distinguished Professor of Physics, School of Arts and Sciences, and Director, International Centre for Space and Cosmology featured in the **World's Top 2 percent Scientists** in the 2024 report by Stanford University and PLOS Biology.

Dharamashi Rabari, Assistant Professor, School of Engineering and Applied Science, received the **Gujarat Council on Science and Technology (GUJCOST) funding** for research on carbon dioxide cycloaddition to identify economically viable and sustainable methods to catalyse the CO_2 to produce various chemicals, fuels, and plastic precursors using Deep Eutectic Solvents (DES) in May 2023.

Ashim Rai, Assistant Professor in the Biological and Life Sciences division, School of Arts and Sciences, received the highly prestigious **DBT/Wellcome Trust India Alliance Intermediate Award**, supporting his research on **Structure-function mapping of Salmonella-host cytoskeleton interactions** for five years in April 2023.

Priyadarshi Shukla, Chair, Global Centre for Environment and Energy, and **Minal Pathak**, Associate Professor, Global Centre for Environment and Energy, and Senior Scientist of the Working Group III, are among the select authors of the **Synthesis Report (2023)** which summarised the findings of IPCC.

Ashutosh Kumar, Associate Professor at the School of Arts and Sciences, published his edited book, **Environmental Toxicology and Ecosystem** in February 2023, which addresses the basics of ecotoxicity assessment, the interaction of abiotic or biotic factors with novel chemical entities, and the fate of the natural organic matter upon interaction with new chemical entities.

Led by **Vivek Tanavde**, Associate Professor, School of Arts and Sciences, researchers of the Oral Cancer Cluster at the Biological and Life Sciences division, and doctors from the Department of Head and Neck Oncology, HCG Cancer Centre, Ahmedabad, discovered **a novel miRNA in the saliva of patients** to help predict tumour aggressiveness and better prognosis of oral cancer, and restrict the need for the invasive method of conventional biopsy in oral cancer patients in November 2022.

Ramadhar Singh, Distinguished University Professor, Amrut Mody School of Management, was honoured on the **Heritage Wall of Fame of the Society for Personality and Social Psychology (SPSP)** in the US in 2022. He was also presented with the Purdue University Distinguished Alumni Award by the College of Health and Human Sciences.

Rahul Sarwate, Assistant Professor, School of Arts and Sciences, received the **2022 New India Foundation Translation Fellowship** dedicated to bringing non-fiction works from Indian languages into English. Professor Sarwate will be translating **Sharad Patil's Marxvad: Phule-Ambedkarvaad.**

Kunal Basu, Distinguished Professor of Humanities at the Centre for Learning Futures and affiliated with the School of Arts and Sciences, was conferred the **Parasuraman Award in 2021 for Long-Term Impact by the Academy of Marketing Science** for his article Customer Loyalty: Towards an Integrated Conceptual Framework.

Rahul Singh, Assistant Professor, Amrut Mody School of Management, won the **BRICS Economic Research Award 2021** for his doctoral dissertation Essays in International Trade in Post Liberalization India.

Doctoral Student **Aditi Patel,** School of Arts and Sciences, who works in the area of oral cancer prognosis, was among a select few researchers globally to receive the **Global Scholar-In-Training Award from the American Association for Cancer Research** in April 2023**.**
