

Time	Flow of the event	Description
Day 01		
0.5	Inaugural Ceremony	Greetings and welcoming, MCC Intro, Flow of the event Welcome speech, Guest of Honor
1	Panel Discussion	By professors from Ahmedabad University
0.5	Introductions to individual positions	Delegates introduce themselves and present their position papers to outline perspectives and recommendations
1.5	Developing problem statement: identifying underpinning causes	Council begins with identifying challenges and issues that the city (council) faces, prioritizing and finalizing the 3-4 key challenges, and developing mind maps using 5-whys to identify underpinning causes.
1	Reviewing case studies to understand diverse realities	Sub Councils as a whole will discuss challenges and needs of different society members (across caste, class, gender, religion, age, and other divides)
1.5	Ideating and researching potential solutions	Within subgroups the council members will ideate and research potential solutions used around the world. Thereafter, they will present to the subcouncil while collaboratively evaluating each of the ideas using a predefined matrix.
1	Resolution writing part 1	Each council will start to work on a resolution including problem statements and background.
Day 02		
0.5	Critical reflection on development	Dr Jwalin Patel will share key reflections on sustainable development.
0.5	Reflections from previous sessions.	Reflect on solutions from day 1 while coming up with potentially alternatives drawing from the previous session.
1.5	Resolution writing part 2	Councils write up 10 solutions (implementation plans, short- & long-term impacts), and case studies of what works.
1	Visual representations of the interventions	Build visual arts-based models for their vision, especially those that can make viewers reflect and re-envision the city.
1	Developing simple to do volunteering drives	As a subcouncil ideate upon potential drives that can be implemented by Ahmedabad University students and create concrete action plans outlining timelines, resources, and personnel.
1.5	Common Plenary	Each council will make short presentations and defend their propositions.
0.5	Model City Council Voting	Voting by council and judging committee members.

0.5	Closing ceremony	Reflections, next steps and awards.
