

# One-year DIPLOMA Financial Analysis

**Ahmedabad  
University**

## Curriculum

- Financial Accounting  
(Analysis of Financial Statements)
- Advanced Corporate Finance
- Security Analysis and Portfolio Management
- Financial Markets and Institutions
- Introduction to Analytics
- Elective Courses
- Project/ Report / Essay

The Financial Analysis programme is designed to enable students to hone their skills in Finance and Accounting and make them ready for path breaking careers in the industry. As an executive in the finance industry a student may be required to study and collect financial data to analyze a businesses status, provide recommendations, figure out a company's cost of operations, compare data, establish policies that help to guide cost analysis and come up with plans of action.

To be able to do this efficiently, a student will need to master the skills like problem-solving, planning, analyzing, organizing, and financial as well as technical skills. This program would help the participants to acquire fundamental financial analysis skills which will open up doors in obtaining entry level positions in the field of financial research/ relationship management/ dealing/advisory in the capital markets.

**2020-2021**

## Applications Open

Students who have completed an undergraduate or graduate degree from Ahmedabad University or any other university, subject to certain entry requirements. Apply online.
