\*BS (Computer Science | Mathematical and Computational Sciences | Physics)

# UNDERGRADUATE PROGRAMMES

## INTERDISCIPLINARY MAJOR

Interdisciplinary Major is one that is customised to the learning and specialisation goals of the student. An Interdisciplinary Major is developed, approved and overseen by a Committee on Individual Thought.

A student may opt for an Interdisciplinary Major only after completing one year at the University. The Interdisciplinary Major requires working with the Committee to develop a proposal and is advisable only for very well prepared students.

An appropriate degree will be awarded depending on the area of enquiry in the Interdisciplinary Major by any or more than one school.

## MINORS

- Accounting
- Business Analytics
- Chemical Engineering
- Computer Science
- Computer Science and Engineering
- Design

# Undergraduate Programme Structure

The credit structure is subject to change as per the guidelines under the National Education Policy (NEP 2020).

## Building your own Learning Pathway

At Ahmedabad University there is a strong recognition that every student is different. Our system is oriented towards providing choices that allow you to create a pathway for yourself.

Through a liberal education you acquire in-depth knowledge in your chosen field, while exploring interdisciplinary perspectives, that enable you to manage and succeed in an environment of complexity, diversity and change.

You build your degree course by course, creating an academic scaffold that guides you towards your aspirations.

## ENTER PROGRAMME

### Foundation Programme

- Common courses, compulsory for all first year students
- Four Studio Courses

### Major

- Self-paced, comprises Core Courses and Electives for the chosen Major

**Credits:** 146 credits

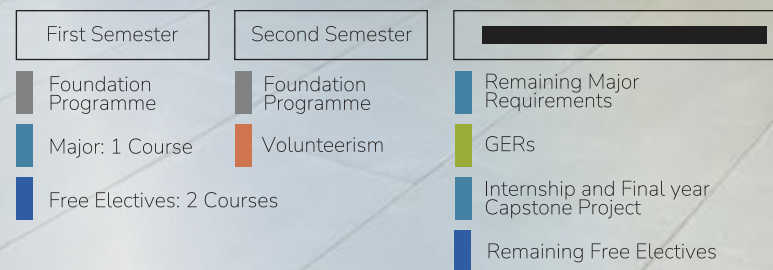

### EXAMPLE 5

**Programme:** Integrated MS  
**Major:** Life Sciences  
**Minor:** Management  
**Credits:** 180 credits

### Representative Study Route 1

### Representative Study Route 2

Students select from over 250 courses at the beginning of each Semester. Each course earns credits that contribute towards the fulfilment of various Programme requirements. Major Advisors will guide students in the selection of courses. School/Centre level eligibility and other requirements may apply.
